*Would

*get a
damn grip

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years.
If you love my relatives, please consider donating at RiniCake.com to support our livelihood.
All proceeds go towards offsetting her medical fees. Thank you very much for reading!

Kaka...
But, even the slightest bit is more than enough...
Your recovery ability is on par with the Road Race's.

I'm sure even your arm will reconnect...

Didn't I tell you before?
Although it's only the slightest bit, my blood has healing properties...

See... It turns out your body's not normal after all.

Your wound...

But, the blood you lost isn't coming back...
Even though your wound's stopped, being able to move again like you used to...

SAAA...
IT'LL BE RECONNECTED... MAYBE?
FOOO!! I thought I told you not to talk!

Don't
stop!

WINE...

You just
focus
recovering!

At all.

You got
it...? Don't
give up
just yet.
